

The VRM-guest ticket is valid only for local public transport of the VRM (in 2nd class train carriages – not in Inter City or Inter City Express trains).

The VRM-guest ticket is only valid when fully completed (the name and the place of residence of the guest must be entered along with the arrival and departure date). If the departure date has not been decided on in advance, your host will enter the expected date of your departure. If you should stay longer than expected, you will receive a new VRM-guest ticket. Subsequent changes to the VRM-guest ticket make it invalid for any use as an authorization to public transport.

The VRM-guest ticket is valid for passenger transport. The transport of bicycles is free of charge on weekdays after 09:00 and all day on Sundays and public holidays – insofar as the capacity of the trains or buses allows it.

The respective tariff regulations of the Rhine-Moselle Transport Association (VRM) apply to the carriage of animals. Travelers may, without having a legal entitlement, take dogs with them free of charge, if this does not jeopardize the safety and order of the company. Dogs must be kept on a short leash. In addition dogs, that could endanger fellow passengers, must wear a muzzle.
